

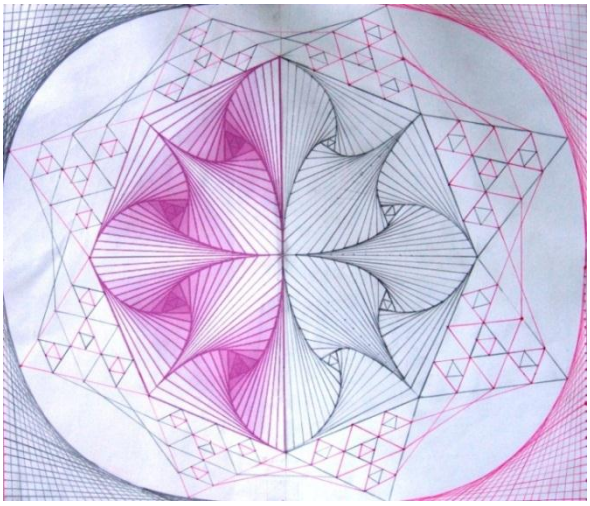
MATHSLAND

... un concours ouvert à tous les collégiens

Voici l'occasion de créer, avec ou sans instrument, des illustrations qui ont un lien avec les mathématiques . Tu peux t'aider d'un ordinateur .



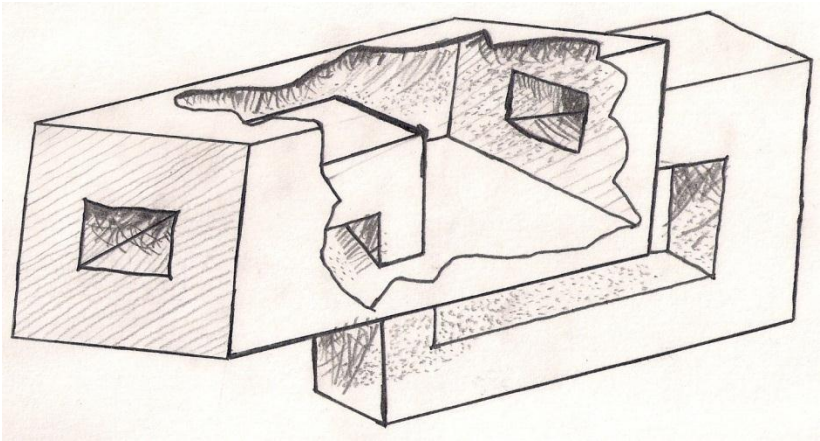
Pour participer,
rien de plus simple !

Il suffit de remettre à ton professeur de mathématiques ***<u>du 18 au 22 mars 2013</u>*** *pour la « semaine des mathématiques » une ou plusieurs productions au format libre (supports numériques acceptés) .*

Un jury décernera

par la suite :

- *un prix départemental*
- *un prix académique*



Pour gagner,
montre-toi ... inventif !
